

City of Delta Junction
2019 LAWN MAINTENANCE AGREEMENT

REST HAVEN CEMETERY

- Mow entire lawn once a week. Accumulations of grass clippings must be removed with or without a catcher bag and hauled off premises. All lawn debris can be dumped at the Community Burn Pit provided by Delta Forestry.
- Rake leaves as needed at the beginning of contract and in the fall. Remove from cemetery premises.
- Use a weed trimmer around fence posts and headstones each time the lawn is mowed.
- Pick up trash as needed. Bagged garbage is to be put in Park or City Hall dumpsters.
- Mowing will include outside the cemetery fence up to or as close as possible to the edge of Tanana Loop Extension and Jack Warren roads, without causing rock damage to equipment or passing vehicles.
- Work will be performed May 24 through August 31, 2019.
- Maintenance does not refer to or include the Pioneer section of the cemetery.
- Fertilize at beginning of contract, once during mid-contract and again at end of contract.
- Water as needed to maintain growth.
- The expected number of cuttings is fourteen (14).

COMMUNITY PARK

- Mow lawn throughout the entire park excluding ball fields. Any lawn debris can be dumped at the Community Burn Pit provided by Delta Forestry. Accumulations of grass clippings must be removed with or without a catcher bag and hauled off premises.
- Use a weed trimmer around tables, trash bins, and other permanent fixtures each time the lawn is mowed. Weed trimming is not necessary along the fence line.
- Pick up trash inside the park fence. Empty all waste cans and replace with new liners each Monday. Bagged garbage is to be put in Park or City Hall dumpsters.
- Work will be performed June 1 through August 31, 2019.
