**ADJOURNMENT**

**2020 Census** - Everyone in the United States gets counted every ten years. Census participation affects federal funding for education, health care, firefighting, etc. and the number of seats each state has on the U.S. House of Representatives. Surveys will be delivered to each household by April 1. Response can be by mail, phone, or Internet. Library staff will assist online responders. Starting the end of May, enumerators will knock on doors of every home that has not responded. For more information, contact U.S. Census Partnership Specialist Barbara Miranda (925-890-5592), Complete Count Committee Chair Deborah Snyder (907-987-2976), City Clerk Pat White (907-895-4219), or visit census websites ([2020census.gov](http://2020census.gov) and [alaskacounts.org](http://alaskacounts.org)).
