

HOUSE IDENTIFICATION PROGRAM

Who: Delta Greely Local Emergency Planning Committee and Local Emergency Response Organizations, City of Delta Junction, and Deltana Community Corporation,

What: This project is meant to help identify houses from the road, by putting signs in the right-of-way. Magnets are meant to be put on refrigerators to help people when they need to call emergency services.

Cost: Signs are available free of charge, but those able can help expend the project further by making a contribution to the program. Donations may be made to Rural Deltana Volunteer Fire Department and included with your application.

These addresses will be verified at City Hall Addressing Office.

Please drop off this form at City Hall, the Delta Community Library, or mail to:
