What is *The Gift* Community Christmas Event?

The Gift is a Christmas event organized to bring people together to feel the Spirit of Christmas and serve the community.

As an open house style event, the atmosphere is warm and allows for people to come and go as they please. This type of event welcomes the whole family to come participate and enjoy.

At the event, there will be beautifully decorated themed Christmas trees, which can be enjoyed while munching on homemade cookies and drinking delicious hot chocolate. One can wander through the Christ Art Gallery to feel His spirit or take a minute to relax and enjoy "The Nativity" movie.

During the day of the event, those attending will be serving the community by tying fleece blankets and filling "comfort sacks" for the Delta Fire Department, 40 Mile High Air, Troopers serving the Delta and Tok areas, and foster children from the Alaska area.

An exciting hidden paper nativity activity will captivate all those little ones attending the event, as well as a special Christmas craft that every child can carry home.

So... please bring your friends, family, and all those that love serving to come see, enjoy, participate, and feel the warmth of the Spirit of Christmas right here in Delta Junction!
