

# Street Equipment Operator

---

**Job Title: Street Equipment Operator**

**Department: Public Works**

**Address: 1328 Richardson Hwy**

**Job Type: Full Time/ 40hrs per week**

**Hours: 8am-5pm, possible variation**

**Wage: \$21.13-\$28.25 DOE**

## Job Summary

We are seeking a detail-oriented Street Equipment Operator to join our team. The ideal candidate must have a minimum of three (3) years of heavy equipment operation. The Street Equipment Operator will collaborate with other city staff and the public for large projects and contribute to the overall success of the city. The candidate must be available to work some evenings and weekends as needed.

## Key Responsibilities

- 1. Maintaining City Streets:**
  - Including but not limited to grading, compacting, snow removal, brush cutting, sanding, and maintaining street signs. Must be willing to occasionally go on-call during winter months for snow removal.
  - Coordinate with other city employees and the public for larger projects.
- 2. Operation and maintenance of city equipment:**
  - Including but not limited to grader, end dump truck, compact track loader, front end loader, compactor, dozer, city pickup with sander, skid steer, and backhoe. Operator will keep a maintenance log, change fluids, filters, grease equipment, basic problem analysis, etc.
  - Fill out proper forms to get quotes for repair and maintenance items.
- 3. Maintaining city grounds:**
  - Including but not limited to preparing cemetery plots for burial, maintaining parking lots at city facilities, replacing street signs, assisting at the landfill when needed.
  - Must be able to plan, schedule, organize, and complete specific projects.
- 4. Other duties that may be assigned:**
  - Including but not limited to basic plumbing, electrical, carpentry, and construction.

## Qualifications

- Must have a valid Alaska Class A commercial driver's license (CDL).
- Must be able to pass employment drug/alcohol and background test.
- Education: High school diploma required. Must be able to read, write, and follow verbal instructions.
- Experience: Three years' experience working in one or more of the specific knowledge areas listed under Key Responsibilities as road construction and maintenance is necessary.
- Must have the ability to work independently, without supervision. Must be a self-starter, not requiring specific direction to complete job assignment.
- Must have equipment and environmental safety practices, full physical mobility, ability to lift heavy objects (minimum 50lbs), and be able to shovel snow, gravel, and dirt. The city will provide \$250 annually in PPE.
- Must have Hazardous Waste Operations and Emergency Response Certification (HAZWOPER), standard Mine Safety Health Administration Surface and Ground (MSHA), or be able to acquire them within two months of hire.

- Must be able to maintain working relationships with supervisors, co-workers, and the public.

## **Benefits**

- Competitive salary
- Health insurance
- Paid leave and holiday pay
- Retirement plan
- Flexible work schedule
